

Senate Bill No. 1102

Passed the Senate September 8, 2005

Secretary of the Senate

Passed the Assembly September 7, 2005

Chief Clerk of the Assembly

This bill was received by the Governor this _____ day
of _____, 2005, at _____ o'clock ____M.

Private Secretary of the Governor

CHAPTER _____

An act to amend Section 8690.6 of the Government Code, relating to emergencies, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

SB 1102, Hollingsworth. Disaster response.

Existing law establishes the Disaster Response-Emergency Operations Account in the Special Fund for Economic Uncertainties. Moneys in the account are continuously appropriated subject to specified limitations for allocation by the Director of Finance to state agencies for disaster response operation costs incurred by state agencies as a result of a proclamation by the Governor of a state of emergency. Existing law repeals these provisions on January 1, 2006.

This bill would extend the repeal of these provisions to July 1, 2007. By extending the term of the continuously appropriated account, the bill would make an appropriation.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 8690.6 of the Government Code is amended to read:

8690.6. (a) The Disaster Response-Emergency Operations Account is hereby established in the Special Fund for Economic Uncertainties. Notwithstanding Section 13340, moneys in the account are continuously appropriated, subject to the limitations specified in subdivisions (c) and (d), without regard to fiscal years, for allocation by the Director of Finance to state agencies for disaster response operation costs incurred by state agencies as a result of a proclamation by the Governor of a state of emergency, as defined in subdivision (b) of Section 8558. These allocations may be for activities that occur within 120 days after a proclamation of emergency by the Governor.

(b) It is the intent of the Legislature that the Disaster Response-Emergency Operations Account have an unencumbered balance of one million dollars (\$1,000,000) at the beginning of each fiscal year. If this account requires additional

moneys to meet claims against the account, the Director of Finance may transfer moneys from the Special Fund for Economic Uncertainties to the account in an amount sufficient to pay the amount of the claims that exceed the unencumbered balance in the account.

(c) Funds shall be allocated from the account subject to the conditions of this section and upon notification by the Director of Finance to the chairperson of the Joint Legislative Budget Committee and the chairpersons of the fiscal committees in each house.

(d) Notwithstanding any other provision of law, authorizations for acquisitions, relocations, and environmental mitigations related to activities, as described in subdivision (a), shall be authorized pursuant to this section. However, these funds may only be authorized for needs that are a direct consequence of the proclaimed emergency where failure to undertake the project may interrupt essential state services or jeopardize public health or safety. In addition, any acquisition accomplished under this subdivision shall comply with any otherwise applicable law, except as provided in the first sentence of this subdivision.

(e) No funds allocated under this section shall be used to supplant federal funds otherwise available in the absence of state financial relief.

(f) The amount of financial assistance provided to an individual, business, or governmental entity under this section, or pursuant to any other program of state-funded disaster assistance, shall be deducted from sums received in payment of damage claims asserted against the state, its agents, or employees, for causing or contributing to the effects of the proclaimed disaster.

(g) No public entity administering disaster assistance to individuals shall receive funds under this section unless it administers that assistance pursuant to the following criteria:

(1) All applications, forms, and other written materials presented to persons seeking assistance shall be available in English and in the same language as that used by the major non-English-speaking group within the disaster area.

(2) Bilingual staff who reflect the demographics of the disaster area shall be available to applicants.

(h) This section shall remain in effect only until July 1, 2007, and as of that date is repealed, unless a later enacted statute, that is enacted before July 1, 2007, deletes or extends that date.

Approved _____, 2005

Governor
